Report: Course Evaluation, to the Teachers

Dear Foster,

This email contains the results of the automated evaluation of the training meeting evaluation for meeting "Human Resource Management" to questionnaire type SCSPRCMT:

The global indicator indicated first consists of the following scales of the questionnaire:
- Instructor

next the individual average values of the scales specified above are specified.

In the second part of the analysis report the average values of all individual questions are listed.

The value 1 marks a minimum meeting quality, the value 7 a maximum meeting quality from view of the studying.

Lecture Human Resource Management

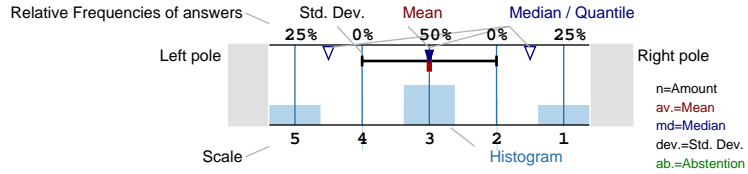

Survey as of 04/11/2005, totally 24 questionnaires SCSPRCMT collected.
Human Resource Management

Comments

Teacher cancelled five classes, for the price this university charges the teachers could at least show up. The members of the football team and band made it to more classes than the instructor

Material was current & up-to-date. The professor really made difficult concepts clear

Textbook was too pricey
Multi media equipment was decrepit

Professor relied too much on TA's to present in class, & professor often contradicted the textbook material.

THIS COURSE WAS INFORMATIVE AND RELATIVE.

THE INSTRUCTOR MAKES THIS COURSE INTERESTING
AND ENJOYABLE.

I'M GLAD THE INFORMATION WAS VALUABLE BECAUSE THE
PROFESSOR WAS BORING AND UNORGANIZED.

I DIDN'T LEARN TOO MUCH NEW, BUT IT WAS A
GREAT CLASS.

My Instructor was excellent! 😊

The class is very interesting.
I loved my instructor

The teacher never answered my questions
in a timely fashion

EVEN THOUGH THE QUANTITY LEARNED WAS NOT GREAT, IT
WAS QUALITY STUFF, BETTER THAN OTHER COURSES. I WISH
ALL EDUCATORS COULD COMMUNICATE LIKE THIS INSTRUCTOR, VERY
IMPRESSIVE.

The website is hard to navigate & consistently
goes down; Grades should not be accessible from
the website
